The diagram consists of 10 rows of small squares. The first row has 10 squares, the second row has 9 squares, the third row has 8 squares, the fourth row has 7 squares, the fifth row has 6 squares, the sixth row has 5 squares, the seventh row has 4 squares, the eighth row has 3 squares, the ninth row has 2 squares, and the tenth row has 1 square. The squares are arranged in a way that they form a descending staircase pattern from left to right.
